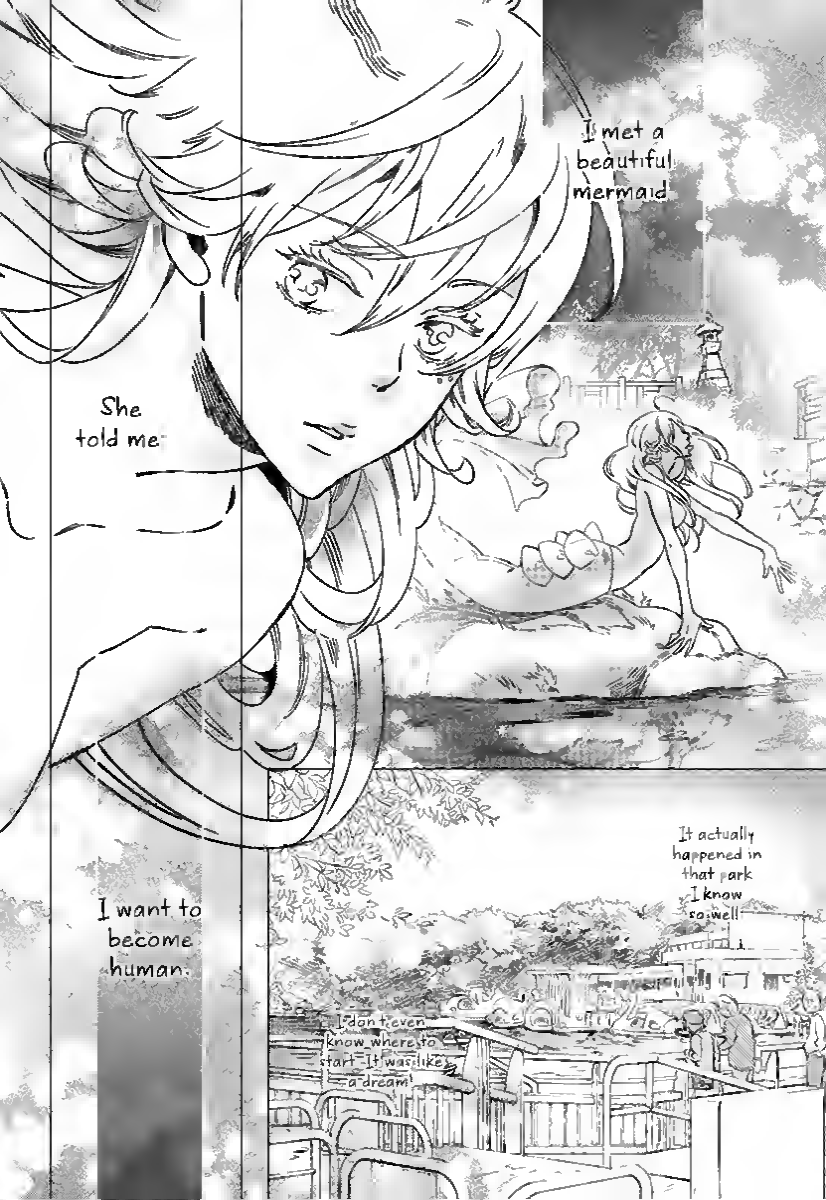
無職男子は考える――"アレ"との出会いを。
Hello.
I'm Kogane Manato (30) and current unemployed.
Ah-ah I didn't win this time either
With that
Having lived to this age, I've learned a few things.
Dreams can be bought with money.
And that I'm a real nothing.
I met quite an incredible person.



I met a beautiful mermaid
She told me
I want to become human.
It actually happened in that park I know so well
I don't even know where to start. It was like a dream!

"I want to become human and fall in love."
A miracle happened.
She used up all her strength to pray and...
Even though it really did happen...
